

REMARKS/ARGUMENTS

Original drawing sheet five, containing Figs. 8a, 8b and 9 has been replaced by two substitute drawing sheets. There are now six sheets of drawing in the application, with new sheet five containing Figs. 8a and 8b, and new sheet six containing Fig. 9.

Review requested correction of the margins of Fig. 9. By placing Fig. 9 on a separate sheet, applicants submit that the margins around Fig. 9 now conform to the requirements of 37 CFR 1.84(g) and request that the substitute drawings be accepted and the patent now be allowed to issue.

Respectfully submitted,
